

# HACK ON HILLS

9<sup>TH</sup>-10<sup>TH</sup> MARCH, 2019  
NIT HAMIRPUR

SPONSORSHIP BROCHURE

**HACK ON HILLS** is a fraternity of programmers, developers and hackers aimed primarily at addressing real life problems, brainstorming innovative ideas and implementing the ingenious solutions into working prototypes.

It provides a platform for the best of minds all across the country to learn, build and showcase their true potential.

**HACK ON HILLS** is for all those who have a knack of learning outside the classrooms, tackling the biggest of challenges and building remarkable projects in a team.

The logo for 'Hack on Hills' is centered at the top. 'HACK ON' is in a yellow-to-cyan gradient, and 'HILLS' is in a pink-to-white gradient. The letters are bold and have a slight 3D effect.
